

Giving Wings to Those in Need

Welcome to Wings of Mercy

Thank you for your interest in Wings of Mercy.

Enclosed you will find important information about our ministry. If you are interested in becoming a Wings of Mercy Recipient, please read our guidelines carefully. It is important that you familiarize yourself with our procedures and make an informed decision as to whether or not Wings of Mercy is a good choice for you.

Coordinating a flight takes time, effort and resources. Our volunteer pilots are a caring and generous group of people, most with full time jobs and other responsibilities. For this reason we ask that you be committed to flying once a flight has been scheduled for you.

It is our privilege to serve you by providing the best in public benefit flying. Please contact the office if you need further assistance.
