

**IMPORTANT INFORMATION**

for Wings of Mercy Recipients

Enclosed you will find the **WINGS OF MERCY** Release and Waiver forms. These forms must be properly filled-out and returned to the **WINGS OF MERCY Flight** Coordinator before a flight referral can be made. Thank you for your kind attention to this requirement.

To schedule your return flight referral, please call   
Give the Flight Coordinator as much lead time as possible to refer the flight. We will do our best to ensure a flight is available when you need it.

One of the Pilots referred to you will be in contact to fill you in on all the important details at least 24 hours before departure. If there are any changes in your schedule, please call **WINGS OF MERCY** as soon as you are aware of the change. The Flight Coordinator will work with the pilots to facilitate the necessary changes.

Please read the enclosed brochure as it will acquaint you with the flight referral requirements and with the **WINGS OF MERCY** policies. It is our mission to refer you to safe, rapid and comfortable air transportation that will move you to the required destination. Our mission is accomplished only after you are safely returned to your home.
